NOTICE

As reported by the Professor, Training & Placement, it has been observed that several students participate in multiple on-campus recruitment drives, secure more than one job offer, and subsequently decline one or more offers at the time of joining. Such practices not only disrupt the recruitment plans of participating companies but also reflect adversely on the commitment and professionalism of our students. This, in turn, creates hesitation among recruiters during subsequent placement cycles.

Several recruiting organizations have expressed serious concerns regarding the low joining ratio of students who receive on-campus placement offers. This trend has adversely affected the trust, goodwill, and long-standing credibility of the institution within the corporate sector.

In order to curb this practice and to uphold the integrity of the campus placement process, the College Authority has decided to impose a penalty on candidates who secure multiple on-campus placement offers and later reject any of them. The penalty shall be **10% of the Annual CTC of the rejected offer(s).**

The fine amount must be deposited with the Training & Placement Cell in the following account:

- **Account Name:** KGEC SU T&P Fund
- **Account No.:** 412110110000609
- **IFSC Code:** BKID0004121
- **Bank Name:** Bank of India
- **Branch:** Kalyani University Branch

Submission of the payment receipt will be mandatory for obtaining placement clearance from the College.

All students are advised to take note of the above and act responsibly while participating in the campus placement process.
